- We recommend a maximum load weight of 44kg per unit (88kg if two are linked together).
- Available as 90cm, 135cm, 150cm or 180cm divan bases only.

DIVAN BASE

COLLECTION

We are committed to using 100% sustainable materials of the highest quality, using ethically sourced and certified fillings in our mattresses whilst the timber in our beautifully upholstered divans is sourced from managed forests that comply with the Forest Stewardship Council® (FSC®) and The Programme for the Endorsement of Forest Certification (PEFC™).

Hypnos offers a range of helpful design guides to assist you in transforming your bedroom into your perfect sleep haven.

From enhancing the comfort of your bed with our range of bedding, such as pillows, toppers and duvets, to selecting your ideal divan base, complete with stylish feet, legs or perhaps a fully upholstered divan skirt; deciding on your preferred discreet storage solution and crowning your bed with a stunning headboard – all upholstered in one of our extensive selection of matching or complementary fabrics, velvets and leathers, or even your own fabric - Hypnos helps make this a joyful and inspirational journey.

HEADBOARD COLLECTION

A beautifully upholstered headboard provides a bold statement to frame your bed, creating a stunning focal point and finishing touch to both the bed and the bedroom.

Every design detail of the headboards has been carefully considered, providing a range of classic and contemporary styles, from simple and modern, to deep buttoned, upholstered-to-the-floor headboards. Choose your headboard from our collection of stunning designs and fabrics. Hypnos upholsters headboards in fabrics outside our wide selection upon special request. Please note the rear of the headboard is upholstered in a black fabric, but should the rear be on show, this can be upholstered in your chosen fabric by request.

COLLECTION

Decide on your headboard style

For a deep divan choose from an elegant euro headboard, upholstered to the floor, available in the same width as the divan (euro-slim) or extra-wide that extends that little bit wider than the bed with wings, or a traditional strutted design, which simply rises from the top of the mattress. Alternatively, those who have opted for a shallow divan base can specify a complementary shallow-style headboard, which creates a floating-like bedstead look.

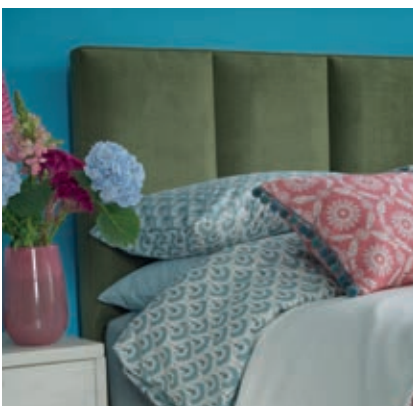

Headboard sizes

All Hypnos headboards are available in a range of standard size bed widths:

■ Single	w 90cm (3' 0")	■ Kingsize	w 150cm (5' 9")
■ Small double	w 120cm (4' 0")	■ Super king	w 180cm (6' 0")
■ Double	w 135cm (4' 6")	■ Emperor	w 200cm (6' 6")

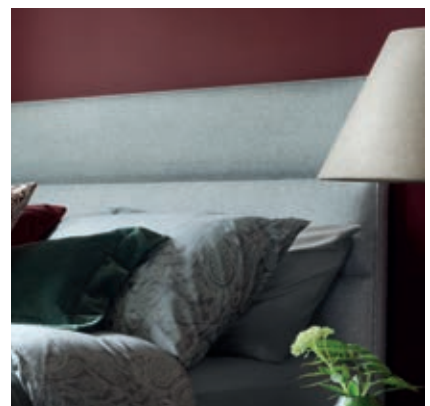

Please note the individual depth and height dimensions of each Hypnos headboard to ensure the overall headboard and bed looks and fits into your 'space' as planned.
