Quality features:

- Carcase and front are available in the 2 lacquer colours slate grey matt and crystal white matt.
- Open spaces are available in the oiled finishes oak rustico light, oak light, Colorado walnut, wild oak light soft brushed or Santana oak light.
- Optionally, many open spaces are available with glass doors in Parsol glass grey - open spaces on the side are available as open nooks, optionally with glass.
- For an airy look many standing items are available with an underframe in wood colour, alternatively in metal crystal white or metal anthracite matt.
- All standing items have ajustable feet which can be adjusted from inside.
- High-quality fittings are furnished with a soft-close mechanism.
- Drawers are equipped with a full pull-out.
- All handles are finished in stainless steel optic.
- LED lighting creates an interesting lighting atmosphere, for the open spaces as well as ambient and underframe lighting (only available with the underframe!). All lightings can easily be operated with Touch-Light.
- The varied type list offers an extensive range of supplementary equipment, e.g. a side and wall panel system for individual shelf and wall units, stacking media shelves for lowboards and a cable flap in the top leaf with a plastic cover for a hidden cable management.
- Special design (special width, height or depth) are available on request.
- Individual room concepts with the planning program **furn plan**
- 5-Year-Guarantee according to the Quality Pass.
- Made in Germany

Important notice:

The supplied fastening material (dowels and screws) is intended only for assembly of components to concrete or solid masonry walls. When assembling components to a wall please always adhere to the max. load values. The nature of the designated wall is ideally enquired during the order process and checked again before assembly by the assembly technicians. If the structure of the wall is deviating from solid structure (e.g. lightweight walls) a different, suitable attachment method is imperative. Clarify all electrical conditions for connection and device technology upfront. Freely hanging lightings need a solution with a duct channel on or below plaster.

Available in (Please add order-no. with finish code):

carcase + front (5TH + 6TH number of the order-no.)
